

# Authorization To Change My Direct Deposit

If your employer (or any other non-governmental organization) regularly sends you a payment, you will want to notify the organization that generates those payments to deposit the proceeds directly into the Merrimack County Savings Bank account specified below.

Fill out and sign the form, then provide it to the appropriate organization. Note that some organizations may require you to complete additional forms in order to process your request.

---

Company/Agency Name

---

Address
